

Calling the Radops NET [Repeat 3 times]

This is KØFEZ NET CONTROL calling the Radops of El Jebel Shrine 2 METER AMATEUR RADIO NET.

If any HAM has EMERGENCY or PRIORITY traffic, Please Call Net Control Now.

The net will proceed.

This is the regular on-the-air meeting of the Radops, held every Sunday evening at 1900 hours. El Jebel Shriners own the KØFEZ repeater located on the Centennial Cone. This repeater is assigned the coordinated frequency of 146.985 MHz, uses a standard offset and requires a 100 Hz PL tone to access. It also has an EchoLink node KØFEZ-R. The Radops also own and operate a standalone 447.925 MHz repeater, that also uses a standard offset and requires a 100 Hz PL tone to access. It is located in Aurora near I-225 and Yale Ave. It is not linked to this repeater or EchoLink. Both repeaters are open to any licensed amateur. The net will be accepting EchoLink check-ins after member check-ins have been completed. Officers using EchoLink will check in during the officer roll call.

Greetings to our Honored Widows, Radops Ladies,
Divan Rep.
and anyone who may be listening.

One rule of this net is that all stations signing in will remain active members until net closing or otherwise gain permission to be excused by Net Control.

This is the KØFEZ Sunday Night Net of the El Jebel Shrine Radops.

The format of the net will be as follows:

Roll Call of Radops Officers including those using EchoLink

This is the KØFEZ Sunday Night Net of the El Jebel Shrine Radops

One last call for any additional comments or reports before our
Divan Rep's report.

Divan Rep Report:

**[NOTE: Shrine protocol is that no other comments or reports
should be taken after the Divan Rep report.]**

Closing...

The Motto of the Radops is: “We Talk so Children can Walk.” To anyone listening, the Radops would like to extend our helping hands and hearts to children, up to the age of 18, with certain medical problems. Since it was established in 1922, Shriners Children’s™ has cared for over 1.7 million children from more than 170 countries. Shriners Children’s™ is a pediatric health care system of 22 clinics and outpatient centers dedicated to providing specialty care, innovative research and outstanding teaching programs. Children up to age 18 with orthopedic conditions, burns, spinal cord injuries, and cleft lip and palate are eligible for care and receive all services in a family-centered environment, regardless of the family’s ability to pay. The care and treatment at any of our 22 locations is provided without regard to race, religion, creed, citizenship, or relationship to a Shriner. We want to help. Please call 303-455-3470, 24 hours a day, 7 days a week. If you leave a message, your call will be returned. Once more, the phone number is 303-455-3470.

There being no further business for the Radops of El
Jebel Shrine Net, I now close the Net
at **[insert current time]**

73 to all Nobles and visitors of the Net.

Good night from **[insert your callsign]**

[Confirm count with KBØYLN]
